For many not knowing what to buy for Christmas is a regular dilemma every year. This year, the problem can be solved by buying a world gift. Your loved one will be pleased to help stop poverty and you would have a present off your mind!

Keep Clean Kit

2020 has been a difficult year for everyone and the poor do not feel safe.

“People in poverty don't have soap or masks and don't feel safe.” CAFOD told our reporter.

The 'Keep Clean Kit' provides soap, masks and detergent for a family. It only costs £6, giving people the confidence to work, go to school and shop.

Gift of Water

CAFOD also provides many other gifts, including clean, safe water for cooking, washing and drinking.

“Water means a lot, it means life.” CAFOD commented. This life –changing gift costs £33.
